SVKM's Dr. Bhanuben Nanavati College of Pharmacy

Shri Vile Parle Kelavani Mandal (SVKM), established in 1934, is a Public Charitable Trust serving over 60,000 students pan India. The SVKM management provides comprehensive education and promotes professionalism, social sensitivity and evolving academic curriculum across its institutes. SVKM's Dr. Bhanuben Nanavati College of Pharmacy was started in 2004 with a mission centered on cultivating professionalism, inculcating social sensitivity and encouraging entrepreneurship skills in the students. Recently the college has received Autonomous Status by UGC affiliated under the University of Mumbai and approved by the Pharmacy Council of India. The college offers B. Pharm, M. Pharm (Pharmaceutics, Quality Assurance, Pharmacology, and Pharmaceutical Analysis) and Ph. D. programs (Pharmaceutics, Pharmacology, and Pharmaceutical Chemistry).

It is accredited by the National Assessment and Accreditation Council (NAAC) in the 1st cycle with A++ grade and CGPA of 3.64 on 4-point scale, a feat achieved by very few pharmacy institutes in the country. It is re-accredited by the National Board of Accreditation (NBA) for 6 years (2023- 2029), accreditation by these national agencies is a measure of the "Quality Status and Standards" of BNCP. It is consistently ranked in the top 50 pharmacy institutes of the country in the National Institute Ranking Framework (NIRF) since it's inception and has secured rank 38 in 2025. It has many awards to its credit – the AICTE-CII awards, inter-collegiate Aavishkar Research Convention awards. The institute is equipped with state-of-the-art facilities, including a pilot plant, an animal house and advanced instrumentation laboratories, enabling high-quality research for postgraduate and doctoral students. It promotes a vibrant learning atmosphere and continually upgrades its infrastructure to enhance academic excellence, promote quality research and nurture all round growth of students translating them into technically sound and socially sensitive pharma professionals ready to take on challenges of the healthcare and allied industries.
