

FACULTY DEVELOPMENT PROGRAM (FDP)

on

Emerging trends in Pharmaceutical Sciences: Academic Excellence, AI & Digital Technologies

29th June to 4th July 2026

Jointly Organised By

Shri B.V. Patel Education Trust, Ahmedabad

&

Indukaka Ipcowala College of Pharmacy

The Charutar Vidya Mandal (CVM) University

ABOUT THE PROGRAM

The pharmaceutical sector is rapidly evolving with advancements in biotechnology, artificial intelligence and digital technologies. This FDP aims to enrich faculty with modern teaching methodologies, digital tools and research competencies while aligning with PCI curriculum and national priorities. It also highlights initiatives like Biopharma Shakti to create awareness about opportunities in biopharmaceutical research, translational science and academia-industry collaboration.

ABOUT BVPET

Shri B.V. Patel Education Trust, established in 1974 is dedicated to advancing pharmacy education and developing skilled professionals for the pharmaceutical industry. It actively promotes academic excellence through Hands-on Training Program, Faculty Development Program and Industry-Oriented initiatives. Website: www.bvpedutrust.com

ABOUT IICP

Established in 2004, Indukaka Ipcowala College of Pharmacy (IICP) is a premier institute in Gujarat, offering quality education across UG, PG, and doctoral programs, with PCI accreditation and state-of-the-art infrastructure.

OBJECTIVES
