ABOUT BV PATEL EDUCATION FOUNDATION

BV Patel Education Foundation (formerly known as Shri Bhupendra V. Patel Education Foundation and earlier known as Shri B.V. Patel Education Trust), is named after the First Drug Controller of Gujarat State Shri Bhupendrabhai V. Patel. Vision and Mission of the Foundation are to organize and conduct educational programs in the field of pharmacy and allied sciences and to support pharma industry and academia with skilled manpower, scientists, technocrats and management professionals. To achieve this aim, the Foundation organizes Hands on Training Workshops, Faculty Development Programmes, Technician Development Programmes with various Universities, Colleges, Private Laboratories, Companies and institutions across India. The Foundation also conducts Certificate Courses for pharma and allied science graduates to prepare them for industry oriented skilled human resources. The Foundation is also working to come up with innovative programmes to support students and promote educational activities across India in healthcare. For details, visit: www.bvpedufoundation.com (www.bvpedutruster.com)

ABOUT VESOP

Vivekanand Education Society's College of Pharmacy (Autonomous) has carved a distinctive niche since its founding in 2007. Known for its unwavering commitment to research, innovation, academic excellence & social responsibility, VESOP has aligned its mission with the goal of National Education Policy (NEP) to foster multidisciplinary education, critical thinking, and job readiness among students. This holistic educational approach integrates rigorous academic standards with a focus on research, innovation, and community engagement, equipping graduates to make significant contributions to both the pharmaceutical industry and society at large.
